

Established in 1995, Nevada Trust Company specializes in providing market leading trust and investment management services.

Our Client is Our First Priority[®] is the firm's core tenet and drives the services that NTC provides to safeguard its clients' assets and to create value for future generations.

Nevada Trust Company is led by experienced industry professionals and partners with some of the nation's leading tax strategists, estate planning counsel, and other relevant resources to provide holistic, integrated, and thoughtful solutions to asset protection and risk management.

Nevada Trust Company offers a full range of trust and estate services to individual and institutional clients with intricate, complex, and multifaceted needs. The expertise of its team allows the firm to provide clients with best-in-class and bespoke financial advice, integrated solutions, and market intelligence through a single source.
